The aim is to help us to check information provided and also to prevent fraudulent claims. When you tell us about an incident (such as fire, water damage or theft) which may or may not give rise to a claim, we will pass information relating to it to the register.

In assessing claims made insurers may also undertake checks against publicly available information as necessary such as electoral roll, county court judgements, bankruptcy orders or repossessions. Some of the information which you give us about this claim may be passed to other insurance companies you tell us about. They will give us information about your policy with them, and we may ask them to pay a contribution to this claim. A contribution payment is normal practice where two or more policies cover the same thing. If another company contributes to your claim with us, it should not affect any no claim discounts you may have with them.

The currency applicable to the Intasure Home contract is Sterling or Euros as per your schedule. There may be occasions when we need to convert from Sterling to Euros or Euros to Sterling. In such circumstances we will convert using the Barclays Bank plc commercial Exchange Rate on the day a claims payment is made under this policy.
