In deciding on the appropriate **sum insured** for **your unit** **you** should take account of additional costs such as debris removal, delivery charges, charges made by the **site** owner and re-siting costs. The **site** owner may be able to provide some assistance by letting **you** know what these costs could be.

Initially, **insurers** will consider claims for household linen and clothing on a **market value** basis and all other claims on the basis of cover shown in **your schedule**. Any settlement is on condition that **your sums insured** are adequate and **you** actually incur the cost of repair or replacement. If **your unit** was for sale at the time of the **incident**, **insurers** will consider **your** claim on a **market value** basis.

If **your sums insured** are too low, **insurers** will offer settlement on a different basis, in accordance with the following table:

Basis of settlement initially considered by insurers	Basis of settlement insurers will offer if your sum insured is too low
New for Old	Market Value
Market Value	Insurers will apply average

All cash settlements are offered entirely at **insurers'** discretion and will be made on a **market value** basis.

Obsolete Parts

In respect of parts required for repair that are no longer manufactured **insurers'** liability is limited to the manufacturer's last list price for those items.

Automatic Reinstatement of **sum insured**

The **sum(s) insured** by this section shall not be reduced by the amount of any claim providing **you** agree to carry out any reasonable recommendations put forward by **us** to prevent further loss and shall pay any additional **premium** required up to the renewal date.

How **we** deal with **your** claim - **unit**

- 1) **We** will pay for the cost of work carried out in reinstating or replacing the damaged parts of **your unit** and agreed fees and related costs. The amount **we** will pay where reinstatement is carried out will not exceed the lesser of:
 - The cost of the work had it been completed by **our** nominated contractor; or
 - The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the reinstatement or replacement is not carried out, **we** will pay the lesser of:

 - The decrease in **market value** of **your unit** due to the damage.
 - The cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay.
 - The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.
- 2) Where an **excess** applies, this will be taken off the amount of **your** claim.
- 3) If **your unit** has not been kept in a good state of repair or if the **sum insured** at the time of the loss or damage is less than the cost of rebuilding all **your unit** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of reinstating or replacing the damaged parts of **your unit** and **we** will, where appropriate, take off an amount for wear and tear.

Section 1 Basis of Claims Settlement

4) The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to reinstate the damage to **your unit** in the same way, size, style and appearance as when it was new, but not more than the **sum insured** or any limits shown on **your schedule**.

5) **We** will not pay the cost of replacing or repairing any undamaged parts of the **unit** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or specific part.

All **unit** repairs carried out by **our** preferred suppliers and insured under the Standard Cover section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

How **we** deal with **your** claim - Contents

If **you** claim for loss or damage to the **contents**, **we** will repair, replace or pay for any article covered under the Standard Cover section.

- 1) Where the damage can be economically repaired **we** will pay the cost of repair;
- 2) Where the damage cannot be economically repaired and the damaged or lost item can be replaced, **we** will replace it. If a replacement is not available **we** will replace it with an item of similar quality;
- 3) Where **we** are unable economically to repair or replace an item with an item of similar quality, **we** will agree a cash payment with **you** based on the replacement value;
- 4) Where **we** can offer repair or replacement through a preferred supplier, but instead **you** request and **we** agree to pay a cash settlement, then the amount will not normally exceed what **we** would have paid **our** preferred supplier.

The above basis of settlement will not apply to:

- Clothes;

- Camping equipment;
- Household linen;

where **we** will take an amount off for wear and tear.

5) **We** will not pay the cost or replacing or repairing any undamaged parts of the **contents** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or specific part.

If the cost of replacing or repairing the **contents** is more than **your sum insured** at the time of any loss or damage, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of **premium** which has arisen as a result of the shortfall in **sum insured**. For example, if the **premium you** have paid for **your contents** is equal to 75% of what **your premium** would have been if **your contents sum insured** was enough to replace the entire **contents** of **your unit** as new, then **we** will pay up to 75% of any claim made by **you**.

Legal Liability

In the event of any accident or **incident** likely to result in a legal liability claim **you** must:

- a) As soon as is reasonably practicable advise **us** immediately and as soon as possible provide full written details and assistance as requested by **us**.
- b) As soon as is reasonably practicable send to **us** any letter, writ, summons or other legal document issued against **you** and **your family**.
- c) Not negotiate, pay, settle, admit or deny any claim without **our** written consent.

Our rights

In the event of a claim **we** may:

- a) Enter into and inspect any building where loss or damage has occurred and take charge of any damaged property. No property may be abandoned to **us**.

Section 1 Basis of Claims Settlement

- b) Take over and control any proceedings in **your** name for **our** benefit to recover compensation from any source or defend proceedings against **you**.

Recovery of Lost or Stolen Property

If any lost or stolen personal belongings are recovered, **you** must let **us** know as soon as reasonably possible by recorded delivery.

If the personal belongings are recovered before payment of the claim **you** must take it back and **we** will then pay for any damage.

If the personal belongings are recovered after payment of the claim it will belong to **us** but **you** will have the option to retain it and refund any claim payment to **us**.

Compensation deriving from losses arising out of extraordinary events taking place in Spain and affecting risks located therein and, with regard to personal damage, also those extraordinary events occurring abroad when the insured habitually resides in Spain, will be paid by the Consortio de Compensación de Seguros if the **policyholder** has paid the relevant charges in its favour and provided that one of the following circumstances occurs:

The Consortio de Compensación de Seguros will act in accordance with the aforementioned Legal Statute, the Law 50/1980 of 8th October on Insurance Contract, the Regulations on Extraordinary Risks approved by Royal Decree 300/2004 of 20th February and other complementary legislation.

This insurance is extended to cover damage caused directly by the exceptional intensity of a natural agent such as earthquake, volcanic eruption, avalanche, **landslip**, **subsidence**, flood or mudslide. This clause applies only to losses caused by an event which is declared a natural catastrophe by an Inter-ministerial Decree published in the Official Gazette of the French Republic. The cover provided by this clause is in accordance with the legal regulations in force on the day of the loss and is subject to all terms and conditions of this insurance, except as amended by this clause.
